TOWN OF MEREDITH

REPORT OF LIBRARIAN

MEREDITH PUBLIC LIBRARY

It is a pleasure to be able to record the great progress that has been made since our last report. The number of borrowers at our library has increased amazingly until now we have registered in the last two years 1050 readers. A larger number of borrowers should mean a larger circulation and this has been the case, for the past year was the busiest in our history, 17,645 books being circulated. The two months of the present year show an even larger figure than last.

With an increased appropriation we have been able to purchase new shelving, which was badly needed in our reference room. It is now possible to place all the required reading for the High School where it is easy of access, as well as many other books.

Through the kindness of Mr. Wm. E. Bixby, the interest on a fund donated by him in 1901 has become available and in addition the generous amount of \$140.00 was given by him, making it possible to purchase a new charging desk. This will add greatly to the appearance of the library and be a great convenience. While Mr. Bixby is a resident of Haverhill, Mass., he has not forgotten the town where his boyhood days were spent. It would be much appreciated if other sons of Meredith or friends would follow Mr. Bixby's example and remember the library with gifts. In a thriving community like ours the library should be open every day, which cannot become possible without additional funds.

TOWN OF MEREDITH

Our library is an asset greatly appreciated by our summer residents and guests and taxpayers may rest assured that the money expended by the town for its upkeep is a good investment.

During the four months absence of your librarian in 1930 the library was cared for most efficiently by Mrs. E. C. Mansfield and Miss Mary Mansfield.

The usual number of new books have been added. We have just received two books which should be of interest to all New Hampshire people, namely "Ninety Years at the Isles of Shoals" by Oscar Laighton, and "Indians of the Winnepesaukee and Pemigewasset Valleys" by Miss Mary Proctor of Franklin.

We cooperate with the New Hampshire Department of Publicity by distributing pamphlets and literature pertaining to our state.

Kind friends continue to remember us with books and magazines. Books can be sent by mail whenever requested.

Respectfully submitted,

LILLIAN WADLEIGH.

The store windows were arranged with proper clothing and toys for infants and pre-school children.

During the month of June there were several donations of clothing to needy children.

On September 5th the District Nurse assisted Dr. Harmon with two adenoid patients.

During the month of September 365 school children were given a physical examination by Dr. Harmon, assisted by the district nurse. Thirty school children were found unvaccinated.

A free vaccination clinic was held at the school of Meredith Center and Town Schools; 19 were vaccinated and 11 excused from vaccination by the doctor.

On October 22nd a Child Health Conference was held for babies and pre-school children, at the Grange Hall. Ten babies were weighed, measured and given a complete physical examination by Dr. Hawkins. The Conference was sponsored by the District Nursing Association, Rotary Club, and local Board of Health. The District Nurse was assisted by Mrs. Blanchard, Mrs. Mead, Mrs. Hodgdon and Miss Daisy Avery. Miss Vivian Jennings the field nurse in the Division of Maternity, Infancy and Child Hygiene, was in charge.

On October 27th an underweight Clinic was held at the Lang Street school. Thirty-six children and four adults were weighed and measured by the district nurse. The physical examination was given by Dr. Kerr, Miss Marion Garland, New Hampshire Tuberculosis Field Nurse, assisting. Miss Garland and the district nurse visited all homes of underweight children.

Miss Charlotte Mae Donald, the State Nurse, made her visits to Meredith, and a number of state cases have been looked up.

A donation of \$15.00 was given to the district nurse from the Legion and Auxiliary, to buy necessary cloth-

TOWN OF MEREDITH

REPORT OF HEADMASTER

Meredith, N. H., Feb. 21, 1931

To the Board of Education and Citizens of Meredith:

The sincere interest of parents and townspeople, the helpful cooperation of our Superintendent and School Board, and the cheerful earnestness and loyalty of the teachers and pupils, have made this annual report, submitted for the eighth time by the writer, a pleasant duty.

It is comparatively easy to write the record of a school in the language of physical values, but comparatively hard to do so in terms of education that will make for a happy and worthy future for those who attend.

That Meredith High School is accomplishing wholesome progress in both of these respects has been expressed in former reports; yet, we humbly believe that in no recent year have the members of our school been happier, more earnest or more successful in carrying out their daily tasks than in the current period. In the report of his 1931 visit to Meredith High School, the State High School Agent writes:

“Pupils were very well behaved. A very fine spirit of helpfulness seemed to pervade the whole building.”

His words are typical of equally fine things that visitors have said about the pupils of our community. We know that parents and citizens are justly proud that strangers rank our boys and girls so highly in loyalty, morale, courtesy and earnestness.

TOWN OF MEREDITH

We now turn to other standards more easily measured. Each tells a story and their total becomes the record of the past year.

Registration of Pupils

The total registration at this date is 155 which is two less than last year and two years ago.

The 155 pupils are distributed in classes as follows :

Grade	Boys	Girls	Comp. with Last Year		
			Total	Gain	Loss
P.G.	0	2	2	2	0
12	11	6	17	0	2
11	8	13	21	0	1
10	6	13	19	0	10
9	21	22	43	18	0
8	8	17	25	0	2
7	11	17	28	0	7
	—	—	—	—	—
	65	90	155	20	22

Included in the above table are 21 non-resident pupils coming from towns as follows :

Center Harbor	7
Moultonboro	12
New Hampton	2

This is the same number as last year, and a decrease of four from that of two years ago.

Attendance

A good attendance record has become a habit at Meredith High School. For six consecutive years our school has been placed on one or more of the state's honor roll of schools that have the best records in attendance and tardiness.

TOWN OF MEREDITH

The table below is for the school year ending in June 1930:

	P. C. Attendance	No. Tardy Marks Per Pupil
State Average	96.3	.9
Senior High School	96.3	.3
Junior High School	95.3	.4

The following table giving the attendance and tardiness record for the first 5 months of the current year shows that the fine record is still being maintained:

Month	P. C. of Attendance		No. Tardy Marks	
	Sr. H. S.	Jr. H. S.	Sr. H. S.	Jr. H. S.
September	97.7	97.9	7	1
October	98.4	93.5	2	0
November	97.9	96.9	7	3
December	97.6	96.9	4	3
January	97.8	96.5	5	2
Average	97.8	96.3	5	1.8
Corresponding period last year	96.5	95.6	3.4	1.2

Attendance Honor Roll for 1929-30

The following pupils attended every session of the 1929-30 school year without being absent or tardy:

Senior High School

Royal Batchelder	Hazel Bickford	Roger Rand
Willard Grad	Beulah Libby	Herberta Turner
Lawrence Blackey	Bradbury Sprague	Alvah Swain
Ernest Valliere		

Junior High School

Alice Beach	Walter Brooks	Viola Blake

TOWN OF MEREDITH

Scholarship of Graduates

Reports received from the institutions that our graduates attend give written testimony of the excellent work of these graduates.

The Annual Statistical Report of Secondary Schools for 1929-30 issued last August by the State Department of Education cites Meredith High School as tied with two other high schools for second place in a list of 24 schools that have an enrollment of between 100 and 200 pupils. In the same report Meredith High School ranks second for the last five year period. Both ratings are based upon the scholastic records that graduates made during their first year of attendance at a post secondary school.

Approval and Certificate Privilege

Meredith High School has the highest rating and approval that is given by our State Board of Education. It also enjoys the certificate privilege of the New England Entrance Certificate Board which allows our graduates to enter the majority of our New England colleges without an entrance examination.

The Curriculum

Biology was added to the curriculum for the first time this year. A total of 48 pupils registered for it.

Instruction in music under a Director of Music has been resumed this year. Our director is Miss Elsie A. Gerrish, a graduate of the New England Conservatory of Music. Weekly periods are devoted to the instruction of music in the junior high school, and the musical programs of the weekly assemblies in the senior high school are arranged by Miss Gerrish, who also directs glee club work in both schools.

TOWN OF MEREDITH

The registration in the three courses given in the senior high school is as follows:

General Course	62
Domestic Arts Course	25
Latin or College Course	13
Post Graduates	2

Total Registration in Senior High102

The Teaching Staff

It is a source of satisfaction to know that Meredith High School is able to retain experienced teachers who are enthusiastic in their work, and who, by study and attendance at summer sessions of schools of education, are constantly equipping themselves for a better understanding of the problems of their profession.

Of the six teachers on the staff, four have permanent certificates. The following table gives at a glance the experience of our teachers. This table includes the current year.

Teacher	Yrs. at M. H. S.	Yrs. other Schools	Total
A	1	0	1
B	4	2	6
C	8	0	8
D	8	1	9
E	3	9	12
F	8	6	14
Averages	5.3	3	8.3

The Alumni Association

The sixth annual Alumni Day and Banquet held last June 12, was attended by over 100 alumni and their friends. The following officers were elected for the present school year:

TOWN OF MEREDITH

President	W. Irving Brown
Vice President	Zela Harris Bucklin
Secretary	Ella Roberts Bense
Treasurer	Bertram Blaisdell

The Alumni Loyalty Cup was awarded for the year 1929-30 to Alvah Swain.

The Athletic Association

The M. H. S. Athletic Association is typical of the work and spirit that characterizes other student organizations. This association sponsors two basketball teams, a baseball team, a winter entertainment course, three association parties, and a stunt night. By systematic planning and organization the association is able to finance all of its activities and to add to a surplus fund each year.

In athletic contests Meredith's fine sportsmanship and its courtesy to guests have received many favorable comments.

The small playing floor and the lack of shower bath facilities is a constant handicap to the health and playing skill of our basketball teams. If these difficulties could be remedied, and at the same time added seating capacity could be installed, our school would enjoy gymnasium facilities that would equal that of many of the best equipped of our neighboring schools.

Other School Organizations

In addition to the Athletic Association many pupils take an active part in the glee clubs, "The Pinnacle," and the Student Council.

TOWN OF MEREDITH

The last organization, in its ninth year of existence, is still functioning in the same orderly and efficient manner which in the past has attracted favorable attention from schools and officials interested in pupil participation.

"The Pinnacle" is in its 13th year, and each new staff keeps up the high standards set in the early history of the paper. "Pinnacle Day" was inaugurated to edit the first issue of last year. Regular classes were suspended and pupils and teachers spent the day in writing, editing and obtaining advertisements for the paper.

On Oct. 20, "M. H. S. Day" was held for the first time. The entire student body was organized into groups, and, under student and teacher leadership, completed 18 projects on the baseball diamond, at the gymnasium, and at the school.

During the winter term of last year, the first annual Public Prize Speaking Contest was held in conjunction with a concert by the Quimby High School Orchestra. Plans are made to hold the second contest in April.

Early this present school year a school seal was adopted. It will supplement, but will not replace the "Pinnacle Seal."

The usual hot lunches are being served by the Domestic Arts Department during the winter term.

The weekly assembly is held each Thursday afternoon at 3.20 at the Town Hall. The public is cordially invited to attend and enjoy the programs.

The graduating class has made definite plans to take an automobile trip to Washington by way of Niagara Falls and Gettysburg. A schedule of activities to raise the necessary funds for such an undertaking is being successfully carried out, assisted by the whole-hearted cooperation and patronage of citizens and friends.

TOWN OF MEREDITH

In the 1929-30 state record previously mentioned here Meredith High School is commended for a high standing in the following:

1. A low percentage of tardiness.
2. A detailed report of B and C subjects.
3. A school year that totaled a large number of half day sessions.

Conclusion

I am certain that if the other members of the teaching staff were present as I complete this report they would join me in expressing sincere appreciation and gratitude for the splendid cooperation of the many: pupils, parents, school board members, superintendent, alumni, citizens and friends. Without this help and encouragement the past progress would have been impossible. With it future progress is assured, and under its inspiration Meredith High School will continue to "carry on" in this ever changing period of progress and readjustment.

Respectfully submitted,

W. J. NELSON, Headmaster.

TOWN OF MEREDITH

SUPERINTENDENT'S REPORT

To the Citizens of Meredith :

In last year's report I gave many statistics showing as well as figures can that the schools of Meredith may well be a matter of pride to the citizens.

The schools are in actual session nearly a week longer than the average for the state, the percentage of attendance is better, the pupils who go to other schools average exceptionally well, so that our High School has a very high rating.

These results have been obtained without exceptional expenditure, for our cost per pupil, both in the elementary and High School, is less than the median of the state and it is also less than the median current cost per \$1000.00 of equalization valuation.

We are getting good results economically.

The real worth of the schools is very difficult to evaluate, for it is one factor in a child's total environment.

Anti-social conduct, such as rowdyism, disturbance of public gatherings, malicious mischief, etc., may be attributed to the schools by parents, to the parents by the teachers, and to the blood inheritance by the neighbors. All may be in part right. If on the other hand, some young people are exceptionally well behaved, industrious, progressive and a civic asset, all naturally wish the credit.

The important matter is that each should assume his fair share in making the whole environment contribute toward easy and natural betterment.

Education is not merely a memorization of facts, but requires also a participation in activities. School at its best is

TOWN OF MEREDITH

not something aside from the current of life but is a part of life itself.

An important resource of Meredith is its natural vocational and recreational facilities. People like to go where the physical conditions are attractive and the community agreeable. Thus it is especially important that the school should strive to cultivate harmony and cheerful co-operation.

We have been reasonably successful in this it seems to me. Our teams have steadily improved in their sportmanship. Visiting teams are certain of courteous treatment and like to come here.

To win by any means, fair or foul, is certainly not a worthy ambition.

A good clean game played with spirit and enthusiasm, without squabbles and wrangles, is an achievement, whether won or lost.

The gymnasium was greatly improved a few years ago, although but part of what was planned was asked for at that time. The court is too short. The minimum length for a regular basketball court for high schools is sixty feet.

The only real reason for school authorities to sponsor athletic games is for the improvement of the health of the pupils. If there is more harm than good the sport should be discontinued. If we are to continue we should have all the safeguards that can reasonably be furnished. It is dangerous to exercise vigorously and then without a bath or change of clothes go out into the winter air. Shower baths should be installed so that we may protect our own children and also give our visiting teams some of the conveniences which they have in their home school.
